TERMS AND CONDITIONS — XMTRADING LOYALTY PROGRAM

A. Introduction

1. XMTrading operating by Tradexfin Limited, a Security Dealer Licensee, regulated and authorised by the Financial Services Authority ("***FSA***") in Seychelles with license number SD010, and FinTrade Limited, an Investment Dealer (Full Service Dealer excluding Underwriting) Licensee, regulated and authorised by the Financial Services Commission in Mauritius ("***FSC***") under the license number GB20025835 (hereinafter referred to as the "***Companies***" and/or "***XMTrading***").

2. The "***XMTrading Loyalty Program***" Terms and Conditions is an integral part of the "***XMTrading Business Terms and Policies***" and provisions set herein are considered as an annex of all "***XMTrading Business Terms and Policies***".

B. Conditions of Eligibility

1. Subject to, and without prejudice to, all other Business Terms and Conditions and Policies, the "***XMTrading Loyalty Program***" is available to XMTrading's Clients who have satisfied the Eligibility Criteria for the offer ("***Eligible Clients***") as set out in the sections following hereinafter.

2. The "***XMTrading Loyalty Program***" may be offered by XMTrading, from time to time, to clients who open real trading accounts with XMTrading, in cases where such clients are referred to XMTrading via specific websites and/or social network sites in the context of certain specific promotions, and/or surveys that XMTrading may be running from time to time, on such specific websites and/or social network sites.

3. XMTrading, at its reasonable discretion, offers the "***XMTrading Loyalty Program***" to any Client(s) and/or any countries/regions as it deems appropriate and for as long as XMTrading deems to provide it.

4. Only persons who can form legally binding contracts under the laws applicable in their country of residence may participate in the "***XMTrading Loyalty Program***". Without limiting the foregoing, participation in the "***XMTrading Loyalty Program***" is not allowed for persons under the age of 18 or otherwise under legal age in their country of residence ("**minors**"). **If you are a minor, you may not participate in the "*XMTrading Loyalty Program*".**

5. Participation of "***Intermediaries/Related Parties***" in the "***XMTrading Loyalty Program***" is prohibited. If the registration and/or trading data of a participant in the "***XMTrading Loyalty Program***" corresponds with the registration and/or trading information, including but not limited to IP address, of another participant in the "***XMTrading Loyalty Program***", XMTrading reserves the right to regard this matching as a reason for immediate disqualification. For the purposes hereof, the term "***Intermediary(ies)/Related Party(ies)***", when used in these Terms & Conditions, unless the context otherwise requires, shall mean to include any person or entity bearing a relationship with any participant in the "***XMTrading Loyalty Program***", including, without limitation:

   a) family members, such as brothers, sisters, spouses, ancestors, lineal descendants and collateral descendants;

   b) person or entity, whom any participant in the "***XMTrading Loyalty Program***", directly or indirectly through one or more intermediaries, controls, or whom, directly or indirectly, through one or more intermediaries, is controlled by, or is under common control with any participant in the "***XMTrading Loyalty Program***"; for purposes of this definition, the term "***control***" (including, with correlative meaning, the terms "***controlled by***" and "***under common control with***"), as used with respect to any

participant in the "***XMTrading Loyalty Program***", shall mean the possession, directly or indirectly through one or more intermediaries, of the power to direct or cause the direction of management policies of such person or entity, whether through ownership of voting securities or otherwise.

6. Similarly, persons associated in any manner whatsoever with XMTrading and/or with the specific websites and/or social network sites on which XMTrading may be running, from time to time, certain specific promotions, contests and/or surveys, in the context of which access to the "***XMTrading Loyalty Program*** " is offered, are not allowed to participate in the program.

C. Specific "*XMTrading Loyalty Program*" Terms

1. Eligible Clients, who meet the criteria set forth herein are able to participate in "***XMTrading Loyalty Program***" and earn XMTrading Points ("***XMPs***"), which will be calculated according to the required traded volume with a special multiplier set respectively to the following "***XMTrading Loyalty Program***" Tiers:

   a) "***Bronze Tier***" — Achieve up to ***USD 1,999,999*** (or currency equivalent) in trading volume per calendar quarter (i.e., within three (3) months) to qualify for Bronze Tier.

   b) "***Silver Tier***" — Achieve a minimum of ***USD 2,000,000*** (or currency equivalent) in trading volume per calendar quarter (i.e., within three (3) months) to upgrade from Bronze Tier to Silver Tier.

   c) "***Gold Tier***" — Achieve a minimum of ***USD 10,000,000*** (or currency equivalent) in trading volume per calendar quarter (i.e., within three (3) months) to upgrade from Silver Tier to Gold Tier.

   d) "***Platinum Tier***" — Achieve a minimum of ***USD 50,000,000*** (or currency equivalent) in trading volume per calendar quarter (i.e., within three (3) months) to upgrade from Gold Tier to Platinum Tier.

   e) "***Elite Tier***" — Achieve a minimum of ***USD 300,000,000*** (or currency equivalent) in trading volume per calendar quarter (i.e., within three (3) months) to upgrade from Platinum Tier to Elite Tier.

2. For the purpose of generating ***XMPs*** under the "***XMTrading Loyalty Program***", only round-turn trades with a minimum duration of five (5) minutes between the opening and closing of the position shall be considered valid. Any trade closed before the completion of five (5) minutes shall not qualify for ***XMPs***.

3. The amount of ***XMPs*** generated from a trade, depends on its volume, the instrument traded and the "***XMTrading Loyalty Program***" Tier of an Eligible Client. The amount earned from a trade is calculated by using the below formula:

XMPs *Amount =* ***Trade Volume*** *in USD (or currency equivalent) x (****Coefficient ÷ 1,000,000****) x* ***Balance-to-Credit Ratio***

Where:

"***Trade Volume***" is calculated by using the following formula:

- **Forex Trading — USD as the base currency**:
  Trade Volume in USD (or currency equivalent) = Number of Lots Traded x Contract Size x Conversion Rate from the Pair's Margin Currency to USD.

- **Forex Trading — USD as the quote currency**:
  Trade Volume in USD (or currency equivalent) = Number of Lots Traded x Contract Size x Current Instrument's Price.

- **Forex Trading — all except USD currency pairs**:
  Trade Volume in USD (or currency equivalent) = Number of Lots Traded x Contract Size x Conversion Rate from the Pair's Margin Currency to USD.

- **Other Instruments — USD currency pairs**:
  Trade Volume in USD (or currency equivalent) = Number of Lots Traded x Contract Size x Current Instrument's Price.

- **Other Instruments — Non-USD currency pairs**:
  Trade Volume in USD (or currency equivalent) = Number of Lots Traded x Contract Size x Current Instrument's Price × Conversion Rate from the Symbol's Margin Currency to USD.

And

"***Coefficient***" depends on the traded Instrument Group, the "***XMTrading Loyalty Program***" Tier that the Eligible Client is at the moment of calculation, and the account type.

You may find below the following diagram showing the Instrument Groups, the account types and the Coefficient for each "***XMTrading Loyalty Program***" Tier:

4. ***XMPs*** can be generated only from the trading volume made with funds deposited by the Eligible Client. If a trade is made with both deposited funds and credit, the Eligible Client will only receive ***XMPs*** for the portion of the deposited funds. The Balance-to-Credit Ratio shows how much of your trade was made with deposited funds versus credit. The Balance-to-Credit Ratio equals to one (1) when there is no use of credit. For your better understanding, please find an example below:

5. In case an Eligible Client earns the amount of 12.03954 ***XMPs***, the system will round down on the 2nd decimal; therefore, the ***XMPs*** received equals to 12.03. This is also applied when the amount of the earned ***XMPs*** is 0.009. The amount of ***XMPs*** received equals to 0 and thus will not appear in the transaction history.

6. For the purposes of the "***XMTrading Loyalty Program***", all the categories per Instrument Group are thoroughly explained in "***Appendix A***" below.

7. Eligible Clients will be demoted from their "***XMTrading Loyalty Program***" Tier in case the required minimum trading volume of their status is not met. The trading volume, and consequently their "***XMTrading Loyalty Program***" Tier, will be re-assessed at the end of a calendar quarter (i.e., every three (3) months).

8. Any previously awarded ***XMPs*** will expire if, at least, twelve (12) months have passed without being redeemed.

9. Any earned ***XMPs*** can be redeemed by the designated functionality in Portal at anytime and credited to any of Eligible Clients' **Standard** and/or **Micro** trading Account(s) as Trading Bonus for all "***XMTrading Loyalty Program***" Tiers or as withdrawable balance for Gold, Platinum and Elite "***XMTrading Loyalty Program***" Tiers. ***XMPs*** redeemed as withdrawable balance shall only be credited to a KIWAMI and an Investor Account in any of the "***XMTrading Loyalty Program***" Tiers, as it is not possible to redeem ***XMPs*** to Trading Bonus in those Accounts.

10. ***XMPs*** can be additionally used in other various promotions/rewards offered from time to time by the Company depending on the "***XMTrading Loyalty Program***" Tier of an Eligible Client. Some of the rewards offered from time to time through the "***XMTrading Loyalty Program***" are provided by third-party merchants, thus, XMTrading cannot be held liable and/or responsible for their quality and/or availability and/or fulfillment. Any issues and/or disputes regarding the rewards should be addressed directly to the respective third-party merchants.

D. General Terms

1. Please note that it may take up to 24 hours before any trading bonus is added to the Account of an Eligible Client who meets all of the criteria set forth herein.

2. The "***XMTrading Loyalty Program***" is only available for Standard, Micro, KIWAMI, Investor and Strategy trading accounts. Zero trading accounts are not eligible to participate in the "***XMTrading Loyalty Program***".

3. The "***XMTrading Loyalty Program***" applies to all Eligible Clients who open a real Account with XMTrading in accordance with the rules set herein and granted trading bonus may be used for trading purposes only; thus, cannot be withdrawn.

4. Any withdrawal of funds from an Eligible Client's real Account(s) with XMTrading will cause the removal of any previously awarded Credit proportionally to the percentage of the requested amount of the withdrawal from the respective Eligible Client's real Account with XMTrading. Below you can find some examples for your better understanding:

Example 1:

Redeemed XMPs to Credit	Credit Received	Profits generated from trading with the Credit	Balance available for withdrawal	Amount of requested withdrawal	Amount of Credit removal
3,000	USD 3,000 (3,000 ÷ 1 = USD 3,000)	USD 1,500	USD 1,500	USD 750 (50% on USD 1,500)	USD 1,500 (50% on USD 3,000)

Example 2:

Redeemed XMPs to Credit	Credit Received	Profits generated from trading with the Credit	Deposit Amount	Balance available for withdrawal	Amount of requested withdrawal	Amount of Credit removal
900	USD 900 (900 ÷ 1 = USD 900)	USD 200	USD 300	USD 500	USD 225 (45% on USD 500)	USD 405 (45% on USD 900)

5. In the event of internal transfers between trading Accounts with XMTrading, trading bonus previously credited to sending account will be moved proportionally to the percentage of transferred balance into receiving account. No new/additional trading bonus will be credited upon internal transfer to receiving account. In case that receiving account is not eligible for trading bonus, amount of trading bonus deducted from sending account will not be credited into receiving account and therefore that proportion of trading bonus will be nullified.

6. Trading Bonus cannot be separately transferred between, or from Eligible Clients' real trading Accounts with XMTrading.

7. In the event of any Eligible Client maintaining open positions in their trading account(s) during the submission of a withdrawal request or of internal transfer, the same conditions apply to the bonus as mentioned in the clauses hereinabove. More specifically, the submission of a withdrawal request or an internal transfer will cause the removal of any previously awarded trading bonus proportionally to the percentage of the requested amount of the withdrawal over the available balance combined with the Open Profit & Loss of the Eligible Client's trading account.

In these circumstances, XMTrading reserves the right, at its sole discretion to close/suspend (either temporarily or permanently) all such Eligible Client's real trading Account(s) with XMTrading, cancel all orders and annul all profits of such participant.
